Dear Mrs. Kranich:

The Board of Supervisors at its meeting on April 25, 2000, granted your request for a revocable Provisional Use Permit to locate the outdoor Innsbrook Pavilion (temporary entertainment pavilion), on part of Parcel 28-1-B-100, subject to the following conditions:

1. The Provisional Use Permit will expire on December 31, 2002, or at such time that construction of the parking area, as depicted on POD 84-97, is necessary to obtain a Certificate of Occupancy, whichever occurs first.
2. Security measures, including but not limited to fencing and security personnel, will be provided to restrict unauthorized access to portions of the property where site improvements associated with POD 84-97 are under construction.
3. All musical and/or festival events shall obtain a festival permit as required by Article IV, Chapter 4 of the Henrico County Code.
4. The pavilion location and associated Zoning Ordinance requirements shall be illustrated on construction plans to be submitted to the Planning Office, and be administratively approved by the Henrico County administration. The pavilion shall be located in an area at the subject property's western boundary, at a location furthest from the office building construction area. An addendum to POD-84-97 shall be submitted to and approved administratively by the County addressing the parking area calculations and the permitted building construction affected by the temporary location of the pavilion.
