Gentlemen:

The Board of Supervisors at its meeting on July 11, 2000, granted your request for a revocable Provisional Use Permit to allow an existing temporary 85-foot wooden telecommunications pole to remain on Part of Parcel 89-A-44, subject to the following conditions:

1. If the use of the tower for communication purposes is discontinued, the tower and all related structures shall be removed from the site within ninety (90) days.
2. The applicant shall obtain approval from the Henrico County Planning Commission should the FAA require the addition of standard obstruction marking and lighting (i.e. red lighting and orange and white striping) to the tower. The applicant shall notify the Henrico County Planning Director prior to making any changes to the tower.
3. The applicant shall landscape the perimeter of the leased area in order to minimize the view of the ground equipment. Landscaping shall be in accordance with the Landscape Plan by HDR Engineering dated 3/27/00.
4. Application for a building permit to review the permanent foundation must be made within ninety days after the Provisional Use Permit is granted by the Board of Supervisors, unless an extension of time is granted by the Director of Planning upon written request by the applicant.
