Code § 2.2-4354):

2. Pay the subcontractor(s) for the proportionate share of the total payment received from the County attributable to the work performed by the subcontractor(s) under the contract; or
3. Notify the County and subcontractor(s), in writing, of their intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.
4. The Successful Bidder shall pay interest to the subcontractor(s) on all amounts owed by the Successful Bidder that remain unpaid after seven (7) days following receipt by the Successful Bidder of payment from the County for work performed by the subcontractor(s) under the contract, except for amounts withheld as allowed in subparagraph 1.(b) of this section. Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of one percent (1%) per month.
5. The Successful Bidder shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor(s).
6. The Successful Bidder's obligation to pay an interest charge to a subcontractor(s) pursuant to the payment clause in this section may not be construed to be an obligation of the County. A contract modification may not be made for the purpose of providing reimbursement for such interest charge and a cost reimbursement claim shall not include any amount for reimbursement for such interest charge.

FF. Successful Bidder's Performance:

1. Goods and services must be delivered and rendered strictly in accordance with this bid and shall not deviate in any way from the terms, conditions, prices, quality, quantity, delivery instructions, and specifications of this bid.
2. All goods and/or services delivered and/or rendered shall comply with all applicable federal, state, and local laws, and shall not infringe any valid patent or trademark. The Successful Bidder shall indemnify, keep, save, and hold the County, its officers and employees, harmless from any liability for infringement and from any and all claims or allegations of infringement by the Bidder or the County, its officers and employees, arising from, growing out of, or in any way involved with the goods delivered or services rendered pursuant to this purchase.
3. In the event that suit is brought against the County (including Henrico County Public Schools), its officers and/or its employees, either independently or jointly with the Successful Bidder, the Successful Bidder shall defend the County, its officers and employees, in any such suit at no cost to the County and the County's officers and employees. In the event that final judgment is obtained against the County, its officers, and/or its employees, either independently or jointly with the Successful Bidder, then the Successful Bidder shall pay such judgment, including costs and attorneys fees, if any, and hold the County, its officers and employees, harmless therefrom.
4. The Successful Bidder shall ensure that its employees shall observe and exercise all necessary caution and discretion so as to avoid injury to person or damage to property of any and all kinds.

5. The Successful Bidder shall not, in its product literature or advertising, refer to this purchase or the use of the Bidder's goods or services by the County of Henrico, Virginia.
6. The Successful Bidder shall cooperate with County officials in performing the specified work so that interference with the County's activities will be held to a minimum.
7. The Successful Bidder shall be solely responsible for initiating, maintaining, and supervising all safety precautions and programs. The provisions of all rules and regulations governing safety as adopted by the Safety Codes Commission of the Commonwealth of Virginia and as issued by the Department of Labor and Industry under Title 40.1 of the Code of Virginia shall apply to all work under this purchase order.

GG. Taxes:

1. The County of Henrico is exempt from the payment of federal excise or state sales taxes on all tangible, personal property for its use or consumption except taxes paid on materials that will be installed by the Bidder and become a part of real property.
2. If a Bidder is bidding on materials that require installation by the Bidder and become a part of real property, the applicable taxes shall be included in the lump sum bid price for the installation of the material and not as a separate charge for taxes. The taxes shall be an obligation of the Successful Bidder and not of the County, and the County shall be held harmless for same by the Successful Bidder.
3. The Purchasing Division will furnish a Tax Exemption Certificate (Form ST-12) upon request and if applicable to this contract.
4. When a Bidder lists a separate tax charge on the Bid Form and the tax is not applicable to the purchase by the County, the Bidder will be allowed to delete the tax from its bid.

HH. Termination of the Contract:

1. If the Successful Bidder should be adjudged bankrupt, or make a general assignment for the benefit of its creditors, or if a receiver should be appointed on account of the Successful Bidder's insolvency, or if the Successful Bidder should persistently or repeatedly refuse or should fail, except in cases for which extension of time is provided, to deliver the goods or services within the time specified, or if the Successful Bidder otherwise defaults, then the County may without prejudice to any other right or remedy, and after giving the Successful Bidder seven (7) calendar days written notice, terminate the employment of the Successful Bidder and procure such goods or services from other sources. In such event, the Successful Bidder shall be liable to the County for any additional cost occasioned by such failure or other default.
2. In such cases, the Successful Bidder shall not be entitled to receive any further payment. If the expense of finishing the contract requirements, including compensation for additional managerial and administrative services shall exceed the unpaid balance of the contract price, the Successful Bidder shall pay the difference to the County.

3. Notwithstanding anything to the contrary contained in the contract between the County and the Successful Bidder, the County may, without prejudice to any other rights it may have, terminate the contract for convenience and without cause, by giving 30 days written notice to the Successful Bidder.

Code § 2.2-4342(F)).

JJ. Use of Brand Names/Product Information:

1. Unless otherwise provided in the Invitation for Bid, the name of a certain brand, make or manufacturer does not restrict Bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the public body in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted (Va. Code § 2.2-4315).
2. If bidding other than specified, the Bidder will clearly and specifically identify the product being offered and enclose complete and detailed descriptive literature, catalog cuts and specifications with the Bid Form to enable the Purchasing Division to determine whether the product offered meets the requirements of the solicitation. Safety Data Sheets and descriptive literature will be provided with the Bid Form for each chemical and/or compound offered. Failure to do so may cause the bid to be considered nonresponsive and rejected.
3. It shall be understood that the burden of proof for an "equal" product shall be and remain the sole responsibility of the Bidder. The County's decision of approval or disapproval of a proposed alternate shall be final. Nothing herein is intended to exclude any responsible Bidder, its product or service or in any way restrain or restrict competition.

KK. Withdrawal of Bid Due to Error (Other than Construction):

1. A Bidder may withdraw its bid from consideration if the price bid was substantially lower than the next low responsive bid due solely to a mistake therein, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.
2. The Bidder shall give written notice of their claim to withdraw their bid to the Purchasing Division within two business days after the conclusion of the bid opening procedure. (Va. Code § 2.2-4330). Such mistake shall be proved only from the

original work papers, documents and materials delivered to the Purchasing Division with the Bidder's written request to withdraw its bid.

3. The Purchasing Division will inspect the written evidence submitted by the Bidder with the request and if the Purchasing Division can verify to its satisfaction and sole discretion that the mistake was a non-judgmental mistake, the Bidder will be allowed to withdraw the bid.
4. No bid shall be withdrawn under this section when the result would be the awarding of the contract on another bid of the same Bidder or of another Bidder in which the ownership of the withdrawing Bidder is more than five percent (5%). (Va. Code § 2.2-4330C).
5. No Bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit directly or indirectly from the performance of the project for which the withdrawn bid was submitted.
6. If a bid is withdrawn under authority of this section, the next lowest responsive and responsible Bidder shall be deemed to be the low Bidder.
7. If the Purchasing Division denies the withdrawal of a bid under the provisions of this section, it shall notify the Bidder in writing stating the reasons for its decision and award the contract to such Bidder at the bid price, provided such Bidder is a responsible and responsive Bidder.

LL. Occupational Safety & Health Policy Statement

Questions and Answers

1. Does the Successful Bidder need to have a Henrico County Business License?
Answer: If a Successful Bidder meets either of the requirements below, they must have a Henrico County Business License.
If you are a contractor or speculative builder and (i) your principal or branch office is in the County or (ii) you do more than \$25,000 of business in the County, you are required to have a business license from the County. If you meet either of the above requirements, include a copy of your current license with your bid. The terms "contractor" and speculative builder" are defined in the County Code, §§ 20-558 and 20-560. If you have any questions, contact the Business Section, Department of Finance, County of Henrico, telephone (804) 501-4310.
2. Where could I find a copy of the previous bid tabulation for the Traffic Control Sign Material bid for Henrico County?
Answer: See Attachment A
3. On the Unit Price Bid Sheet, Lot #2, Items 8-13, could engineer grade material be bid?
Answer: See the attached Revised Unit Price Bid Sheet Price Schedule, Lot #2, Items 8-13. You can bid either model number listed on the Revised Unit Price Sheet Price Schedule, but if you bid 3400 series engineer grade material, then a sample of each color may be requested.
4. If a bidder wants to bid only Engineer grade on Lot #2, would they need to provide samples?
Answer: See answer to Item 3 above.
5. On the Unit Price Bid Sheet in Lot #8, Item 33 was discontinued and replacement product 7314 was added. Would a bidder need to provide samples of product 7314 also?
Answer: See the attached Revised Unit Price Bid Sheet Price Schedule, Lot #8, Item 33 which no reflects the correct part number. Bidders may be required to submit a sample of this product for Henrico County to approve.

General IFB Revisions

6. Replace Page 1 of the IFB with the attached revised Page 1.
7. Replace the original Unit Price Bid Sheet Price Schedule with the attached Revised Unit Price Bid Sheet Price Schedule.
8. **Paper copy sealed bids will no longer be accepted for this solicitation. Bids shall be submitted in an electronic response and will only be accepted through eVA, the Commonwealth of Virginia's Procurement Portal. All bid responses shall be uploaded to procurement file no. 3702 posted on Virginia Business Opportunities (VBO). Instructions for bid submission through eVA are included in Attachment B.**
9. Revise Section I, Item C(4) to read as follows:
"Bidders submitting bids on materials which the County must review and approve to be considered an "Approved Equal" material, shall submit catalog cuts, and material specifications with the bid. The failure to provide this information may result in the bid being considered nonresponsive. Should the County require the submission of samples of proposed Approved Equal materials, directions will be provided to the Bidder for submission requirements."
10. Revise Section I, Item G(1) to read as follows:
"The Unit Price Bid Sheet Price Schedule is provided in MS Excel format. Bidders shall complete the Price Schedule electronically and submit the completed Price Schedule as an attachment in eVA along with the Bid Form in accordance with Part II, General Terms and Conditions, Section DD, Submission of Bids. If a bidder submits a price for an item in a Bid Item Lot, all items must be bid. A "no bid" submission for an item within a Bid Item Lot may result in the bid being deemed non-responsive."
11. Revise Section II, Item DD shall be revised to read as follows:
 1. **All Bidders shall use the enclosed Bid Form and Unit Price Bid Sheet Price Schedule in submitting their bid prices. The Purchasing Division shall not accept oral bids, bids received by telephone, telecopier (FAX machine), or hard copy submissions. Bids will only be accepted through eVA. The Purchasing Office is closed due to COVID-19 and hard copy submissions are not able to be received at this time.**
 2. *All prices must be F.O.B. delivered to the point as indicated in this bid. The County will grant no allowance for boxing, crating, or delivery unless specifically provided for in this bid.*
 3. *The Bid Form must be completed in blue or black ink. Discrepancies in the multiplication of units of work and the unit prices will be resolved in favor of the correct multiplication of the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum.*
 4. *All erasures, insertions, additions, and other changes made by the Bidder to the Bid Form shall be signed or initialed by the Bidder. Bids containing any conditions, omissions, erasures, alterations, or items not called for in the bid, may be rejected by the Purchasing Division as being incomplete or nonresponsive.*

5. *The Bid Form must be signed in order to be considered. If the Bidder is a corporation, the bid must be submitted in the name of the corporation, not simply the corporation's trade name. In addition, the Bidder must indicate the corporate title of the individual signing the bid.*
 6. *The Bid Form, the bid security, if any, and any other documents required, shall be attached and submitted through eVA.*
 7. *(DELETED)*
 8. *The time for the receipt of bids shall be determined by the time clock in eVA. Bidders are responsible for ensuring that their bids submitted in eVA by the deadline indicated.*
 9. *All bids received in eVA by the deadline indicated will be kept sealed and unopened until the time and date set for the opening of bids.*
 10. *Late bids will not be able to be accepted in eVA.*
 11. *All line items must be filled in. It is understood and agreed, if Bidder indicates a "0" dollar amount on the Bid Form, the product or service shall be provided at no charge.*
6. Revise Section II, Item KK(2) to read as follows:
*"The Bidder shall give written notice of their claim to withdraw their bid to the Purchasing Division within two business days after the conclusion of the bid opening procedure. (Va. Code § 2.2-4330). Such mistake shall be proved only from the original work papers, documents and materials delivered **by email to the Purchasing Director** with the Bidder's written request to withdraw its bid."*
 7. Bid Form, Page 20, delete the existing paragraph that reads:
"To aid in the evaluation of bids, Bidders must submit the original Bid Form and one copy of the Bid Form, Attachments and detailed specification sheets, if applicable. Have you complied with this requirement? ____ Yes. ____ No. If you fail to do so, your bid may be considered nonresponsive and rejected."

Please acknowledge the receipt of Addendum No. 2 dated April 10, 2020 on your BID FORM when submitting your bid in eVA. Failure to acknowledge this addendum may result in your bid being declared non-responsive. All other general terms, conditions and specifications shall remain the same.

Sincerely,

Jon Creger
